

## **Club SINZ Rules and Regulations**

1.) "No means No". This is a private social organization for the enjoyment of both men and women alike. Everyone has the right to inquire of another whether they would like to engage in any type of sexual activity or nudity. (Bearing in mind that such activities are to be performed off the club premise) No one has the right however to disregard any other person's wishes. Therefore should anyone decline your invitation, or overtures, you shall respect that "no" and you shall not bother, annoy, harass, or persist. Should anyone decline your invitation or overture, an explanation of why is not required and any attempt to force a member to provide an explanation is a violation of these rules and regulations. You hereby agree, and take responsibility for, saying "no" to any conduct or behavior that makes you uncomfortable.

2.) No Prostitution. Prostitution is the giving or receiving of the body for sexual activity for hire. Sexual activity involves the anus, the vaginal area, and the penis/genitals. Therefore, no one is permitted to ask, solicit, or partake in the touching or any other type of contact with another person's penis/genitals, anus or vaginal area for compensation. Compensation does not require money to be exchanged but rather involves anything of value regardless of how trivial that value may be. Anyone who solicits prostitution, engages in prostitution in any manner, way, shape or form, appears to be involved in prostitution on the premises, or appears to be making appointments for prostitution off premises will be immediately removed from the premises and have their private club membership revoked. Paid escorts or other similar guests are strictly prohibited from SINZ events at all times. Should a member be accompanied by a paid escort, they will be asked to leave immediately and their membership revoked. You also acknowledge that any membership dues, fees, or other amounts paid to Club SINZ are solely for operation of the club, and the facilities provided and not for any sexual activity you may observe or participate in while a member of Club SINZ

3.) No Joking About Prostitution. Since solicitation of a prostitution is simply a verbal act of one person communicating to another person that they wish sexual activity to occur for hire, even joking about sexual activity for hire can be misconstrued to be soliciting prostitution. Therefore any joking or fooling around about prostitution or acts that may constitute prostitution will result in your immediate removal from the premises and your membership in the club revoked.

4.) No Drugs. No illegal drugs will be permitted on premises where Club SINZ conducts meetings. Illegal drugs are drugs that you are not permitted to have by law. Therefore, although a drug may be a prescription for one person, if another person possesses that drug it will be illegal to that person.
